

Corrigendum

In the paper, Images of absolute retardance $L \cdot \Delta n$, using the rotating polariser method, by M. A. Geday, W. Kaminsky, J. G. Lewis and A. M. Glazer, which appeared in the April issue, Volume 198, Part 1, pp. 1–9, errors appeared in Eqs (5) and (8). The correct equations appear below:

$$a_0 = \sum_{i=1}^N \frac{1}{N} I_i, \quad a_1 = \sum_{i=1}^N \frac{2}{N} I_i \sin 2\alpha_i, \quad a_2 = \sum_{i=1}^N \frac{2}{N} I_i \cos \alpha_i \quad (5)$$

$$\frac{2I}{I_0} \cong 1 + \sin 2(\alpha - \varphi) \sin \delta + x \left(\sin 2(\alpha + 2\varphi) \sin^2 \frac{\delta}{2} - \sin 2\alpha \cos^2 \frac{\delta}{2} \right) \quad (8)$$
